

# Robyn CROWHURST

## PROFILE SUMMARY

I am postgraduate student studying honours in material science at the University of Cape Town, after completing my undergraduate in Chemistry and Biochemistry. I enjoy learning about how chemistry and biology connect and I am especially interested in how scientific knowledge can be applied in real world situations. Through my coursework and lab experience, I have developed strong skills in problem solving, experimental design, and data analysis, and I am eager to further develop these skills during further study.

## PERSONAL INFORMATION

Languages: **English**

## SKILLS

- Proficient in Microsoft Word, MS PowerPoint and MS Excel.
- Experience in Python, R and LaTeX.
- Extensive experience with X-Seed (ShelX) and the Crystallographic Structural Database (CSD).
- Academic writing and communication.

## EXPERIENCE

### CHEMISTRY RESEARCH ASSISTANT

*Centre for Supramolecular Chemistry Research, University of Cape Town*  
**2024 - Present**

- ◇ Analysis of X-Ray diffraction data to solving crystal structures using ShelX software.
- ◇ Preparation and growth of crystals from solution.
- ◇ Performing various experiments and analysis of results, including Thermogravimetric Analysis (TGA), X-Ray Powder Diffraction and Adsorption Vapour Kinetics.
- ◇ Analysis of results obtained
- ◇ Currently focusing on research into Guest Exchange in host-guest systems with organic host compounds.
- ◇ Responsible for maintaining the cleanliness and organisation of the laboratory, as well as organisation and labelling of chemical stores.

### VOLUNTEER MICROBIOLOGY RESEARCH ASSISTANT

*Department of Molecular and Cell Biology, University of Cape Town*  
**2023 - 2024**

- ◇ Performed various tasks around the laboratory, such as running PCR tests, Gel Electrophoresis, DNA Extractions, Enzyme Kinetic Assays, preparation of buffer solutions, Gram Stains and Bradford Assays.
- ◇ Assisted with cleaning of the laboratory and organisation of chemicals and other materials.

### VOLUNTEER

*TEARS (The Emma Animal Rescue Society)*  
**2013 - 2017**

- ◇ Dedicated five years as a volunteer at TEARS cattery where I helped care for cats with FIV/AIDS

## EDUCATION

**BACHELOR OF SCIENCE HONOURS IN MATERIAL SCIENCE** *University of Cape Town.*  
**2026-present**

**BACHELOR OF SCIENCE DEGREE IN CHEMISTRY AND BIOCHEMISTRY** *University of Cape Town.*  
**2018-2025**

- ◇ Took a 2 year Leave of Absence for health reasons.

**NATIONAL SENIORS CERTIFICATE WITH A BACHELORS ENDORSEMENT** *Springfield Convent of the Holy Rosary.*  
**2013-2018**

- ◇ Matric Distinctions: Life Sciences, Mathematics, Accounting.
